International Sports Calendar no. 2 for 2025

▣ The post-Olympic year of 2025 is already flying by, but with lots of action still to come!

This new listing, updated from our 1 January 2025 edition, shows 694 events for the remainder of 2025 and some multi-sport events into 2034, for sports on the Olympic and Olympic Winter Games program which have published their calendar listings. Two calendars are offered: first, in chronological order (pp. 2-16) and second, by sport (pp. 17-32).

These listings are from publicly-available sources as of 1 April 2025 and **will continue to change** for many reasons. Please do not hesitate to send amendments or corrections to Editor@TheSportsExaminer.com. Users should double-check events with the current calendars of the relevant international or national federation to ensure up-to-date information.

The country codes are those used by the International Olympic Committee (more [here](#)). Other common symbols and abbreviations (?? = unsettled dates):
